## Penny Royal Scuba Center:

**You will complete and log 4 Scuba Dives over 2 days.**

**Please check my website and confirm your scheduled time.**

There is a \$20 entrance fee to the scuba quarry. Please pay ME the \$20 entrance fee. They give instructors a small commission if the instructor pays them for all our students. When you arrive at the Quarry you will need to sign in at the front office, then drive down to the bottom of the hill and join the fun. Please bring cash or a check. I can't process credit cards at the quarry.

The four scuba check-out dives are completed over 2 days. I provide the scuba gear, Tanks, Regulator, Weights, and Buoyancy Compensator Device. You should have your own Mask, Fins and Snorkel, and maybe a wetsuit for the Open Water Dives. If you don't have your own, and if I have them in your size, you may rent them from me for \$10 per day. You will need a logbook to log the dives. Log books cost \$10 and \$25.

During the 4 check-out dives I'll ask you to show me the skills you learned in the pool. After each dive we'll log them in your logbook and after the fourth dive you'll be a certified PADI Scuba Diver. I'll give you a temporary Scuba Certification Card. This temporary card is good for 90 days. Your official PADI Certification card will arrive from PADI in a couple of weeks.

I need your picture for your certification card. Email it or bring it to me before the last dive.

### **Scuba Gear Required for Open Water Check-out dives:**

I provide BCD, Regulator, Tanks, and Weights.

### **Your Required Personal Equipment;**

1. **Mask, Fins and Snorkel.** You may rent them from Marcos for \$10 per day.
2. **Logbook;** You must log all your dives.
3. **Wetsuit;** Depending on water Temperature. You may rent one at the Quarry \$15, or from me \$10. I have very limited sizes of wetsuits. You will have to try it on and check your weights in the pool before going to the quarry.

Each day you'll be at the quarry for about 3 or 4 hours. I'll bring a cooler filled with water and soft drinks. You may want to bring a snack. Stay all day and play. Once you are certified I will let you borrow a free tank and go on a fun dive without my tagging along asking you to do skills.

**Make sure you get on the roster and know what time you should be there ready to dive.**

I leave my house at 7:00 when I have more than 8 students; and I leave at 8:00 if I have less than 8 students. I'll know a day or two before. Please make sure you are on the roster and confirm the day before. You may ride up with me or follow us up. I can meet you at the I-24 Old Hickory Blvd Exit #40. Call me for exact time.
